“ I have such wonderful memories of Shirley. I visit Dixfield, Me twice a year. I stay with My Dear friend, Priscilla Sayce who is Shirley's Cousin. Some years my vacation in the Spring or Fall co-insides with Roy & Shirley's stay at their Vacation Home in Livermore. We have had Great Spaghetti Luncheons at Priscilla's. I also have been to their Vacation Home on the lake in Livermore. Once when I was there, they were kind enough to let me pick some pine cones from their back yard. The past two years, our plans did not co-inside. I am so sorry that I did not get to visit with Shirley. To Roy and family, please know that I am so sorry that Shirley is no longer with us. I know she is looking down on us and is at Peace and no longer suffering. Love and Prayers to All There, Beezy & Bert Stetson

“ We are so sorry for your loss . I have many memories of Shirley being so kind and loving when she lived in Calais as I was growing up with Mike and a Dawn. My 1st trip to McDonalds in Bangor and going to the camp ground in Jacksonville for a fun day and many fun times at her home. She was a great cook too. She touched so many children's lives as no other. Always happy and caring of others. She loved her Family so and it showed through her actions even to a child. May God richly bless and comfort you at this very difficult time. Hold your memories close as I am sure you have many wonderful memories that will warm your heart and bring a smile to your face. Hugs and prayers.

“ Mickey Pike was a dear friend of mine during graduate school and afterward as well with her wedding to Mike and births of their children. I met and was welcomed into the home of Mike’s parents, Shirley and Roy. Shirley and Roy were always filled with love, joy, hospitality, ready helpfulness, and a deep devotion to family and the Lord Jesus Christ. Shirley brought a sparkle and warmth to the ORU bookstore. She and Roy were securely knit into the community of Jenks and would bring the presence of the Lord wherever they went. They have been lively, salt of the earth, fun people and I am honored to have known them. Blessings to you Roy, Mike, and the whole Pike family as you celebrate Shirley’s life and home going. Warm affection, Lynn Clutter
